

## MAXIMIZE YOUR MAXIFY GX7020X WITH uniFLOW ONLINE

Adding uniFLOW Online Cloud Link Print Connection to your uniFLOW Online subscriptions<sup>1</sup> allows workers to seamlessly print and scan documents from their small office or home office using their Canon MAXIFY GX7020X inkjet printers.

Organizations and administrators can benefit from detailed reporting<sup>2</sup> and identify potential cost savings with comprehensive tracking and management. They can also release their print jobs using uniFLOW Online's access control features,<sup>3</sup> which can now extend to those MAXIFY GX7020X printers.<sup>1</sup>

### BENEFITS

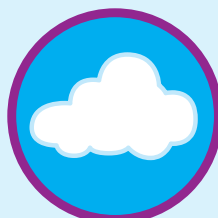

- A flexible print/scan infrastructure built for the future of “Hybrid Work Print.”
- Remote workers can print and scan from home while using security levels set by their organization.
- Remote workers can manage their print job status from home.
- Organizations can centralize print usage and related costs for compatible in-office MFPs and at-home MAXIFY GX7020X inkjet printers.
